

Hey!

It's that time where we all think back on the past year and assess how we did. I put together this worksheet for you to document your wins. Write down your top 3 wins from each month below. See if you notice any patterns or themes. Use those patterns and themes to your advantage for an even more successful year.

-Nadia

Month	Win 1	Win 2	Win 3
Jan			
Feb			
Mar
